UN	DERSTANDING THE BUSINESS
rem con mai	service station business is one that requires the Retailer to work long hours and manage it on full-time basis. Essentially, the business should ain open throughout the year. Additionally, a successful service station would most likely include other non-fuel retailing offers, such as venience store, auto servicing / quick oil change, etc. Increased customer sophistication and competition put a lot of pressure on the Retailer to nation high level of customer service at all time, adherring to many stringent environmental, storage and handling requirements and standards. You
	above, please state below. Failure to do so will be taken as acceptance of the requirements.
